[§] The total amount was sent in US Dollars.

^{**} Our sister Saba Woldemariam received the money in British Pounds but sent it to us through the Western Union Money Transfer and the amount we received was in Swedish Crowns.

^{††} Brother Solomon Truneh sent the money he received plus an additional 100 USD from his own pocket as a deposit thinking that more people would send him money at least up to a 100 USD. His plan was that in that case he wouldn't need to send me the newly arrived amount but take it for himself as he already has deposited 100 USD in advance. Yet, no body sent him any money other than the 400 USD he collected previously, and so we returned him his 100 USD which he sent as a deposit.

Total money collected from all countries	
Canada	180 USD
Holland	250 Euro
Italy	690 Euro
Norway	19452 SEK
Sweden	13200 SEK

Part II: Our expenditure

Expenditure	
Paltalk subscription: Deluxe Room 500 - 1 year \$5915.50	39900 SEK
Total	39900 SEK

Part III: Summary & total money present

Different currencies	Summary		
	Total money collected	Total Expenditure	Total money present
Euro	940 Euro		940 Euro
Swedish kronor	37423 SEK	39900 SEK	-2477 SEK
US Dollar	1980 USD		1980 USD

→ 2477 SEK is equivalent to 350 USD, and so paying the 2477 SEK deficit, our total money in hand becomes as presented in the table below:

Total Money in hand now

Currency	Amount
Dollar	1630 USD
Euro	940 Euro
Swedish kronor	0 SEK

The conclusion of this report is therefore that we now have a total amount of **1630 USD** and **940 Euro** at hand **in our central register** (that is in the hands of our brother Merah Ahferom). Date 22 March 2012.

Part IV: Money collected late from Norway

This amount has been sent to our brother in Norway on a later date after he had already sent the first batch of money that was collected. This amount is therefore still in Norway and has not till date been received by our central register. It is still in Norwegian Kronor and kept with our agent in Norway – Yacob Teklemariam.

Following is the names of those who contributed and the amount each of them contributed.

Norway (Collected by Yacob Teklemariam - 004770087011 or 004790644708)	
Akberet G/mariam	600 NOK
Azeb Belai	500 NOK
Dawit Andu	500 NOK
Lidia Hailu	1000 NOK
Rgaat T. Berhe	500 NOK
Yosef Atoberhan	200 NOK
Zewdi Kaleab	500 NOK
Total	3800 NOK

Our brother Yacob Teklemariam had paid 150 NOK from his own pocket in making the bank transfer in sending the first batch of the money collected. So we would like to reimburse him by reducing that amount from the 3800 NOK stated here.

→3800 NOK – 150 NOK = 3650 NOK

Thus, the conclusion here is that we currently have a total amount of **3650 NOK** at hand in our register in Norway (that is in the hands of our brother Yacob Teklemariam). Date 22 March 2012.
